

Compliance Assistance Conference
September 23-24, 2014
Conference Agenda

DAY ONE

7:30 a.m. - 8:30 a.m. Foyer/Registration Area	Registration, Coffee and Pastries
8:30 a.m. - 8:45 a.m. Grand Ballroom	Welcome and Opening Remarks
Plenary Session – Grand Ballroom - 8:45-9:30 a.m. Keynote Speaker - Ohio EPA Director Craig Butler	
Break/Midmorning Coffee - 9:30 a.m. to 9:45 a.m. (Foyer/Exhibit Area)	
Breakouts: Session One - 9:45 a.m. to 11:00 a.m.	
9:45 - 11:00 a.m. Ballroom 3	EPCRA (Right-to-Know), TRI (Toxic Release Inventory) and RMP (Risk Management Plan) Reporting (Part 1) If you are handling chemicals or hazardous waste at your business, you probably need to report under one or more of these programs. Even small businesses may be required to report. Come learn more about who is required to file reports and the reporting procedures for each program. This is a two-part session. Speaker: Jeff Beattie, DAPC Moderator: Cindy Dewulf, DAPC
9:45 - 11:00 a.m. Ballroom 4	Hazardous Waste Requirements – The Basics (Part 1) If you need to know the basics about Ohio’s hazardous waste regulations, then this session is for you. We’ll cover how to evaluate your waste streams to see if they are hazardous. In addition, this session will include an overview of record keeping, reporting and container management requirements. We’ll also cover simple steps you can take to recycle and/or reduce wastes at your business - steps that can reduce your regulatory burden and save you money! This is a two-part session which continues after the morning break. Speaker: Dan Sowry, OCAPP Moderator: Jeff Mayhugh, DMWM
9:45 - 11:00 a.m. Ballrooms 1&2	Introduction to Air Permitting and Reporting (Part 1) Environmental regulations are complex and determining if your business needs an air permit can be confusing. If you are wondering whether you need an air permit, this first session is for you. We'll cover the basic steps in evaluating all your emission sources, documenting exemptions, and getting a permit for those that need one. We'll cover the types of permits available, including general permits, permit-by-rule options, and permits-to-install-and-operate (PTIO). Authorized pre-permit construction activities will be discussed. Finally, we’ll provide an overview of how to complete permit application data, calculate emissions of criteria and air toxic pollutants and work with your district office. Speakers: Rick Carleski, OCAPP, Kelly Saavedra, DAPC and Ben Halton, DAPC Moderator: Mike Kelley, OCAPP

<p>9:45 a.m. - 11:00 a.m.</p> <p>Pavilion</p>	<p>Do I Need A Permit? How to Get a Permit and How to Renew a Permit</p> <p>Federal and State law prohibit the discharge of pollutants to a stream or river without having a discharge permit. The discharge permit's fancy name is National Pollutant Discharge Elimination System or NPDES for short. This session will cover basics of when someone needs to be covered under the NPDES program and how to get this coverage.</p> <p>Speaker: Sara Hise, DSW Moderator: Ashley Ward, DSW</p>
<p>11:00-11:15 Break (Coffee Provided in Foyer)</p>	
<p>Breakouts: Session Two - 11:15 a.m. to 12:15</p>	
<p>11:15 a.m. - 12:15 p.m.</p> <p>Ballroom 3</p>	<p>EPCRA (Right-to-Know), TRI (Toxic Release Inventory) and RMP (Risk Management Plan) Reporting (Part 2)</p> <p>This session continues as we review the EPCRA, TRI and RMP reporting requirements.</p> <p>Speaker: Jeff Beattie, DAPC Moderator: Cindy Dewulf, DAPC</p>
<p>11:15 a.m. - 12:15 p.m.</p> <p>Ballroom 4</p>	<p>Hazardous Waste Requirements – The Basics (Part 2)</p> <p>This session continues as we cover the basics about Ohio's hazardous waste regulations.</p> <p>Speaker: Dan Sowry, OCAPP Moderator: Jeff Mayhugh, DMWM</p>
<p>11:15 a.m. - 12:15 p.m.</p> <p>Ballrooms 1&2</p>	<p>Introduction to Air Permitting and Reporting (Part 2)</p> <p>This session continues with an overview of record keeping and reporting requirements contained in a typical air permit. You'll get practical advice on how to keep on top of your reporting responsibilities and stay in compliance, including the reporting of equipment malfunctions and completing fee emission reports. Also included is an overview of how to handle your reporting requirements online using Air Services.</p> <p>Speakers: Rick Carleski, OCAPP, Kelly Saavedra, DAPC and Ben Halton, DAPC Moderator: Mike Kelley, OCAPP</p>
<p>11:15 a.m. - 12:15 p.m.</p> <p>Pavilion</p>	<p>Understanding Source Water Protection Areas and What Your Business Can do to Protect Drinking Water</p> <p>Drinking water sources are vulnerable to contamination that can cause a community significant expense and threaten public health. Water is a shared resource, and businesses, individuals, citizen groups, and local communities can participate in many activities to help protect their drinking water sources. Come to this session to learn more about source water protection in your area, things you can do to protect your drinking water and steps you can take in source water planning at the community level.</p> <p>Speaker: Mike Eggert, DDAGW Moderator: Tracy Freeman, Director's Office</p>
<p>12:30 - 1:30 Lunch (Provided) Crowne North Pavilion and Salons</p>	

Breakouts: Session Three - 1:30 p.m. to 2:45 p.m.

1:30 p.m. - 2:45 p.m. Ballrooms 1&2	<p>Special Topics in Hazardous Waste (Part 1) This is part one of a two-part session which continues at 3:00 p.m.</p> <p>Having trouble determining if your waste is hazardous or when a waste is a listed hazardous waste? We will provide a more in depth discussion about using your knowledge of the waste and proper sampling and analysis. Do you generated hazardous spent lamps or batteries? You may be able to manage them under less burdensome standards than regular hazardous waste. We will provide information about Universal Waste in this session. Are you unsure about how to manage the other hazardous waste you send for recycling? We'll tell you the ins and outs of determining the proper regulations for recycled hazardous waste.</p> <p>Speakers: Tim Killeen and Mitch Mathews, DMWM Moderator: Jeff Mayhugh, DMWM</p>
1:30 p.m. - 2:45 p.m. Ballroom 3	<p>How to Report When Things Go Wrong</p> <p>Have you ever had a spill or release of materials and weren't sure exactly what to do? In this session, we'll cover the basic Ohio EPA reporting requirements for emergency situations like this.</p> <p>Speaker: Chris Holmes, DERR Moderator: Tracy Freeman, Director's Office</p>
1:30 p.m. - 2:45 p.m. Ballroom 4	<p>Doing Business Electronically with Ohio EPA... Air Services and Ohio EPA's eBusiness Center</p> <p>This session includes an overview of Air Services, Ohio EPA's online tool for completing air permit applications. We will also cover the Agency's eBusiness Center for other updates on interacting electronically with Ohio EPA.</p> <p>Speakers: Mike Ahern, DAPC Moderator: Cindy DeWulf, DAPC</p>
1:30 p.m. - 2:45 p.m. Pavilion	<p>Storm Water Permitting Requirements for Industrial Activity</p> <p>The goal of Ohio EPA's storm water program is to prevent the pollutants from entering into our waterways through contaminated storm water runoff. Certain industrial sectors are required to get a storm water permit and implement a storm water pollution prevention plan (SWPPP) to ensure that industrial activities do not result in contamination of storm water runoff.</p> <p>Plan to attend this session if you want to know more about how to get a permit, best management practices and how to avoid problems. The session will also include a discussion of Ohio EPA's General Industrial Storm Water Permit.</p> <p>Speaker: Jason Fyffe, DSW Moderator: Ashley Ward, DSW</p>

Afternoon Break - 2:45 p.m. to 3:00 p.m. - Sodas & Cookies in Foyer/Exhibit Area

Breakouts: Session Four - 3:00 p.m. to 4:30 p.m.

<p>3:00 p.m. - 4:30 p.m.</p> <p>Ballrooms 1&2</p>	<p>Special Topics in Hazardous Waste (Part 2)</p> <p>Many businesses generate used oil and are subject to Ohio EPA's used oil regulations. This session will help you understand the requirements for used oil generators, including record keeping, spill response and options for recycling and disposal. We'll also discuss regulations related to burning used oil.</p> <p>Speakers: Tim Killeen and Mitch Mathews, DMWM Moderator: Jeff Mayhugh, DMWM</p>
<p>3:00 p.m. - 4:30 p.m.</p> <p>Ballroom 3</p>	<p>A General Overview - SPCC Plans for Oil and Oil products</p> <p>If you handle oil or oil products, you could be subject to the Spill Prevention Control and Countermeasure (SPCC) regulations. The SPCC requirements apply to even small businesses. These regulations require that secondary containment be provided for oil storage areas and that you prepare an SPCC plan to address emergency situations. If you handle oil or oil products, you'll want to sit in on this session to learn more about how the SPCC requirements.</p> <p>Speaker: Mark Howard, SPCC Team Lead, U.S. Environmental Protection Agency, Office of Emergency Management Moderator: Laurie Stevenson, Director's Office</p> <p>NOTE: This is a general overview session which is presented once during the conference. There is a more in-depth four-hour SPCC session on day two that will cover the specifics of developing an SPCC plan, secondary containment, spill response, etc.</p>
<p>3:00 p.m. - 4:30 p.m.</p> <p>Ballroom 4</p>	<p>Preparing for an Ohio EPA Inspection</p> <p>NOTE: This session is also offered on day 2 of the conference (11:00-12:15 time slot).</p> <p>Ever wonder what happens when an Ohio EPA inspector shows up at your business? First, don't panic. Come learn more about the inspection process and get practical tips on how you can prepare your business when an inspector does show up. Part one of this session will also include a panel discussion from field staff who will share with you the common problems they've seen during inspections. Or, perhaps your business has already been inspected in the past and you want some guidance on how to improve communication with the Agency. If you want to know more about what happens before, during and after an inspection and be better prepared when the time does come, stop by this session.</p> <p>Speakers: Frank Zingales, DMWM/NEDO, Rick Carleski, OCAPP, Cole Miller, DSW Moderator: Mike Kelley, OCAPP</p>
<p>3:00 p.m. - 4:30 p.m.</p> <p>Pavilion</p>	<p>Call Before You Build. . .</p> <p>An Introduction to Section 401 and Isolated Wetlands Permitting in Ohio</p> <p>Are you considering a green space for your new business, or contemplating an on-site expansion project? If so, will your project involve dredging, filling or other activities that may have an impact to waters of the state, such as wetlands, ponds, streams, rivers? If so, you need to be aware of Ohio EPA's 401 water quality certification and isolated wetlands permitting requirements under Ohio's laws and regulations. In this session, we'll cover the basics of the 401 and isolated wetlands requirements, application process and how to avoid common problems that could cause delays.</p> <p>Speaker: Ric Queen, DSW Moderator: Ashley Ward, DSW</p>

Day One Conference Adjourns – 4:30 p.m.

CONFERENCE DAY 2

7:45 a.m. - 8:30 a.m. Foyer/Registration Area	Coffee and Pastries
8:30 a.m. - 8:45 a.m. Grand Ballroom	Welcome and Opening Remarks
<p>8:45-10:00 a.m.</p> <p>Plenary Panel Session</p> <p>Strategies for Success: How Can Your Organization Go Above and Beyond?</p> <p>Participants: Wright Patterson AFB, Crown Equipment, Cleveland Indians, Hull & Associates</p> <p>Encouraging Environmental Excellence (E3) Awards - 10:00-10:45 a.m.</p> <p>Presented by Ohio EPA Director Craig Butler</p>	
Coffee Break- 10:45 a.m. to 11:00 a.m.	
Breakout Session One – 11:00 a.m. – 12:15 p.m.	
11:00 a.m. - 12:15 p.m. Ballrooms 1&2	<p>Division Chiefs - Panel Program Priorities and Hot Topics</p> <p>In this session, Ohio EPA's Division Chiefs will cover their current hot topics and upcoming priorities.</p> <p>Panelists: Bob Hodanbosi, Chief, DAPC, Pam Allen, Chief, DMWM, Karl Gebhardt, Chief, DSW Moderator: Laurie Stevenson, Director's Office</p>
11:00 a.m. - 12:15 p.m. Ballroom 4	<p>Preparing for an Ohio EPA Inspection</p> <p>NOTE: This session is a repeat of the same session offered on day 1 of the conference (3:00-4:30 p.m. time slot)</p> <p>Ever wonder what happens when an Ohio EPA inspector shows up at your business? First, don't panic. Come learn more about the inspection process and get practical tips on how you can prepare your business when an inspector does show up. Part one of this session will also include a panel discussion from field staff who will share with you the common problems they've seen during inspections. Or, perhaps your business has already been inspected in the past and you want some guidance on how to improve communication with the Agency. If you want to know more about what happens before, during and after an inspection and be better prepared when the time does come, stop by this session.</p> <p>Speakers: Cole Miller, DSW, Frank Zingales, DMWM/NEDO, Rick Carleski, OCAPP Moderator: Mike Kelley, OCAPP</p>

<p>11:00 a.m. - 12:15 p.m.</p> <p>Ballrooms 1&2</p>	<p>OCAPP - Resources to Help You Achieve Compliance, Reduce Waste and Save Money</p> <p>Did you know that some simple changes in the way you do business can result in not only reducing pollution, but also save you money? Reducing your waste generation may also mean that you have fewer regulations to comply with. Come learn more about simple, pollution prevention (P2) strategies that you can adopt at your business. We'll show you case studies from businesses that have reduced waste and how they did it. In addition, we'll cover the free services of Ohio EPA's Office of Compliance Assistance and Pollution Prevention, including P2 site visits, compliance visits, assistance with air permit applications and more. We'll also talk about financial assistance available to small businesses through Ohio's Clean Air Resource Center.</p> <p>Speakers: Dan Sowry and Dave Foulkes, OCAPP Moderator: Mike Kelley, OCAPP</p>
<p>11:00 a.m. - 12:15 p.m.</p> <p>Pavilion</p>	<p>Do you Know Where Your Floor Drains Go? Pretreatment and the Underground Injection Control (UIC) Requirements</p> <p>If you are discharging wastewater to a municipal wastewater treatment plant, it's important for you to understand the wastewater pretreatment requirements. You may be subject to local discharge limits, permitting and wastewater pretreatment requirements. If you want to discharge industrial wastewater to an on-site septic system, it's very important that you understand the UIC requirements that apply to your activity to avoid problems. In this session, we'll review the basic requirements for discharging your wastewater.</p> <p>Speakers: Mari Piekutowski, DSW and Lindsay Taliaferro, DDAGW Moderators:</p>
<p>11:00 a.m. - 12:15 p.m.</p> <p>Salons E&F</p>	<p>Special Session – Four Hour Short Course on SPCC</p> <p>This approximate four-hour session begins at 11:00 and runs with a lunch break until 4:15. It is a hands-on course designed to go into detail on the specifics of the SPCC requirements, including how to develop your plan, secondary containment and response requirements. Plan to join this session if you need to get “in the weeds” on SPCC requirements. The course will include a detailed rule review and implications of the new guidance document from U.S. EPA. Each session builds upon the previous presentation and there is no repeat content.</p> <p>Speaker: Mark Howard, SPCC Team Lead, U.S. Environmental Protection Agency, Office of Emergency Management</p>
<p>12:30-1:30 Lunch (Provided) Pavilion and Buckeye Room</p>	
<p>Breakouts: Session Two - 1:30 p.m. to 2:45 p.m.</p>	
<p>1:30 p.m. - 2:45 p.m.</p> <p>Ballroom 3</p>	<p>Working Effectively with Ohio EPA</p> <p>Have you ever had challenges in navigating through Ohio EPA or wondered who to connect with to help ensure that your project made it through the regulatory channels smoothly? Do you know what to do once your permit application comes to the Agency... or even what you can do before you submit any paperwork for review? Has your company ever been cited in violation and you need to know how to keep things from escalating to potential enforcement? If you've answered yes to any of these questions, join this session to learn more. We will cover strategies for proactively communicating with Ohio EPA to ensure new projects make it through the regulatory processes effectively. We will also cover Ohio EPA's legal process and what to do if you are in an enforcement action. We discuss common misconceptions about the enforcement process and the best ways for working with Ohio EPA if enforcement does occur. This session identifies why enforcement is necessary and how Ohio EPA takes your business concerns into account during enforcement.</p> <p>Speakers: Laurie Stevenson, Business Relations and James Canepa, Assistant Director</p>

<p>1:30 p.m. – 2:45 p.m.</p> <p>Ballroom 3</p>	<p>Air Permitting for Major Sources/Title V Facilities (Part 1)</p> <p>In this session, we'll cover the basics of Major New Source Review (NSR), including:</p> <ul style="list-style-type: none"> • Applicability and attainment/non-attainment • Modeling basics • Modifications • What's new • When to get a consultant, other sources of help and timing issues <p>Speakers: Mike Hopkins and Bob Hodanbosi, DAPC Moderator: Cindy Dewulf, DAPC</p>
<p>1:30 p.m. – 2:45 p.m.</p>	<p>Wastewater Reporting and an Overview of Geospatial Concepts</p> <p>In this session you will learn about the Ohio EPA Division of Surface Water Electronic Discharge Monitoring Reports (eDMR) system. Learn the “who, why, what, and how’s” and hear the latest from what current system users are saying. The eDMR Administrator will field questions, provide information on the latest software upgrades, and provide an exciting update on Division of Surface Water applications soon to be rolled out through the eBusiness Center. This session will also include an examination of Surface Water GIS initiatives aimed at data compilation, analysis and propagation.</p> <p>Speakers: Jamie Roberts, DSW and Bob Ward, DSW Moderator: Ashley Ward, DSW</p>
<p>1:30 p.m. - 2:45 p.m.</p> <p>Buckeye Room</p>	<p>Ohio EPA's Division of Materials and Waste Management Alternatives to Landfill Disposal</p> <p>In this session, Ohio EPA's Division of Materials and Waste Management (DMWM) will highlight some of the alternative practices to reduce disposal of waste at landfills. This includes beneficial reuse options for certain solid wastes, composting organic wastes (including food scraps) and recycling construction and demolition debris. Come to this session to learn more about turning waste into a valuable resource!</p> <p>Speakers: Angel Arroyo-Rodriquez and Brad Hauser, DMWM and Mike Dinneen, Agg Rok Materials Company Moderator: Terrie Termeer, DMWM</p>
<p>1:30 p.m. – 2:45 p.m.</p> <p>Salons E&F</p>	<p>Special Session – SPCC in-depth (four hour session before and after lunch)</p> <p>This approximate four-hour session begins at 11:00 and runs with a lunch break until 4:15. It is a hands-on course designed to go into detail on the specifics of the SPCC requirements, including how to develop your plan, secondary containment and response requirements. Plan to join this session if you need to get “in the weeds” on SPCC requirements. The course will include a detailed rule review and implications of the new guidance document from U.S. EPA. Each session builds upon the previous presentation and there is no repeat content.</p> <p>Speaker: Mark Howard, SPCC Team Lead, U.S. Environmental Protection Agency, Office of Emergency Management</p>
<p>Break – 2:45 p.m. – 3:00 p.m.</p>	
<p>Breakout Session Three – 3:00 p.m. - 4:15 p.m.</p>	
<p>3:00 p.m. - 4:15 p.m.</p> <p>Ballroom 4</p>	<p>Air Permitting for Major Sources/Title V (Part 2)</p> <p>In this session, we'll cover the basics of Title V permitting, including: applicability and trigger levels, modification basics, where to find key guidance and what's new: CAM, MACT referencing, renewals)</p> <p>Speakers: Mike Hopkins and Bob Hodanbosi, DAPC Moderator: Cindy DeWulf, DAPC</p>
<p>3:00 p.m. - 4:15 p.m.</p>	<p>Where's the Money?</p>

Ballroom 3	<p>Attend this session to learn more about funding available through the Ohio EPA and Ohio Air Quality Development Authority to support recycling efforts, installing pollution control equipment and supporting the development of community infrastructure projects.</p> <p>Speakers: Todd Nein, OAQDA, Terrie Termeer, DMWM, others? Moderator: Tracy Freeman, Director's Office</p>
<p>3:00 p.m. - 4:15 p.m.</p> <p>Ballrooms 1&2</p>	<p>eDocs Management System</p> <p>Ohio EPA's eDocument Search is designed to improve efficiency; reduce costs; and greatly improve the public's ability to access to Ohio EPA's public records from anywhere without copying costs. The system currently includes noncompliance documents issued since Jan. 1, 2007. Eventually, electronic copies of most of the Agency's public records will be available. Come to this session to learn more about how to access records.</p> <p>Speakers: Rich Boudier and Amanda Payton, Director's Office Moderator: Helen Miller, OCAPP</p>
<p>3:00 p.m. – 4:15 p.m.</p> <p>Pavilion</p>	<p>How to Complete a Minor Source Air Permit Application</p> <p>This session will include line-by-line instructions on how to fill out the standard application form #3150a for minor source air permits, common do's and don'ts, and how a complete application allows for faster processing. Although the session will focus on the hard copy form, the information also applies when completing an electronic permit application through the Air Services.</p> <p>Speakers: TBD Moderator: Rick Carleski, OCAPP</p>
<p>3:00 p.m. – 4:15 p.m.</p> <p>Salons E&F</p>	<p>Special Session – SPCC in-depth (four hour session before and after lunch)</p> <p>This approximate four-hour session begins at 11:00 and runs with a lunch break until 4:15. It is a hands-on course designed to go into detail on the specifics of the SPCC requirements, including how to develop your plan, secondary containment and response requirements. Plan to join this session if you need to get “in the weeds” on SPCC requirements. The course will include a detailed rule review and implications of the new guidance document from U.S. EPA. Each session builds upon the previous presentation and there is no repeat content.</p> <p>Speaker: Mark Howard, SPCC Team Lead, U.S. Environmental Protection Agency, Office of Emergency Management</p>
<p>Conference Ends 4:30 p.m.</p>
