3 MODERATOR McCARRON: Today's date is
4 April 3, 2012. My name is Mary McCarron, and I
5 will be presiding over today's public hearing.

6 The purpose of the hearing today is to
7 obtain comments from any interested person
8 regarding Ohio EPA's proposed action. The Ohio
9 Environmental Protection Agency is soliciting
10 comments regarding revisions to Ohio's
11 designation recommendations for sulfur dioxide
12 for the 2010 sulfur dioxide national ambient air
13 quality standard. Given the most recent data,
14 Ohio has determined that Belmont and Columbiana
15 Counties are attaining the standard. Ohio is
16 requesting Belmont County to be designated
17 unclassifiable and Columbiana County to be
18 designated in attainment.

19 Comments can be submitted by the close
20 of business today, April 3, 2012.

21 At this time there is nobody present to
22 provide testimony, so we will go off the record.

23 (Break taken until 4:00 p.m.)

24 MODERATOR McCARRON: The time is now

1 4 p.m., and nobody has arrived to provide
2 testimony. So this hearing is adjourned.
