Notice of Proposed 2015 'No Changes' to Plan Approval and Consumer Confidence Reports (CCR) Rules

The Division of Drinking and Ground Waters (DDAGW) is seeking comment on Ohio Administrative Code rules in Chapter 3745-91 (Plan Approval) and Chapter 3745-96 (CCR). DDAGW intends to file these rules as 'no change' pursuant to the five-year rule review requirements of Section 119 of the Revised Code. Listed below are the currently effective rules proposed to be filed with no change.

<u>Rule Number</u>	<u>Rule Title</u>
3745-91-01	Definitions.
3745-91-04	Requirements for specifications.
3745-91-05	Requirements for data sheet.
3745-91-06	Requirements for supporting information.
3745-91-07	Requirements for submittal letter.
3745-96-03	Required additional health information.

Questions and comments should be forwarded to Corin Bonnett at (614) 644-2752 or by email at DDAGW_RULECOMMENTS@epa.ohio.gov with the subject line '2015 No Change Plan Approval and CCR rule package' no later than September 9, 2015.
