**Re: Ohio Water Pollution Control Loan Fund (WPCLF)  
Approval of 2015 Program Management Plan**

Dear Sir or Madam:

I am pleased to announce the approval of the 2015 Water Pollution Control Loan Fund Program Management Plan, including the list of projects that are proposed for assistance during this program year. A summary of the major changes for program year 2015 begins on page 5.

We released the Draft Plan for public review on October 20, 2014 thus beginning the public comment period. We also held a public hearing on November 24, 2014 and received comments through the close of business that day. Ohio EPA's responses to the written comments received during the public comment period are available at [www.epa.state.oh.us/defa](http://www.epa.state.oh.us/defa).

You may obtain a copy of the approved plan by downloading it from [www.epa.state.oh.us/defa](http://www.epa.state.oh.us/defa) or request a printed copy by calling our office at (614) 644-2798. Using this method instead of direct mail saves thousands of dollars in printing and mailing costs, while providing you with quick and immediate access to the document.

We thank you for your continued interest in improving Ohio's water quality. If you have questions, or would like to receive a copy of the Plan by mail, please contact Becky McKinney of the Division of Environmental and Financial Assistance at (614) 644-3636.

Sincerely,
