RE: CLOSED XENIA LANDFILL, GREENE COUNTY
OHIO ADMINISTRATIVE CODE (OAC) RULE 3745-27-10(C)(7)(g) Approval

Dear Mr. Tincu:

On May 13, 2011, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Southwest District Office (SWDO) received a document titled "Request to Update the Chloride and Sodium Background Data Sets for Monitoring Well MW-27A", dated May 9, 2011, for the closed Xenia Landfill (Facility) located in Greene County.

Pursuant to OAC Rule 3745-27-10(C)(7)(g), background data can be added only in blocks of data resulting from the analysis of four or more statistically independent samples after the data have been statistically compared to the current background data and no statistical differences are detected, unless another method is deemed acceptable to the director.

Ohio EPA, Division of Drinking and Ground Waters (DDAGW) reviewed this request and performed an outlier analysis and trend analysis on the sodium and chloride data sets for monitoring well MW-27A. Sodium and chloride in monitoring well MW-27A were found to be attributed to natural variability in the ground water. Therefore, pursuant to OAC Rule 3745-27-10(C)(7)(g), the Facility is authorized to update the background data sets in monitoring well MW-27A for sodium and chloride to include all data between the dates of October 1999 through April 2009.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of $70.00, made payable to "Treasurer, State of Ohio"

which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
