About this Document

This document is intended to provide a graphical run-through of the new PIN application procedures set effective on 5/12/08 and the updated service activation process. These procedures are required in order to access the Division of Surface Water's Electronic Discharge Monitoring Reporting (e-DMR) System. Graphics display the Ohio EPA eBusiness Center screens and documents all processes from the beginning steps all of the way through to the final service activation. This document provides a general feel for the work flow by guiding the user with actual screen shots of the online system in a relatively sequential manner. Refer to the e-DMR All-in-One Document and all of its attachments for additional detail of the various individual aspects of the online application.

This is the opening screen that you will come to each month to access eDMR after you have completed the steps in this document. If you already have a PIN (i.e., your legal e-signature) you will notice under MY TASKS that it states that your PIN is “activated”. Under SERVICES, you have a listing of all Agency Divisions that you can conduct e-Business with, use any of them that you do business with all through this single account. As you gain access to them, the status will change to “Active”. If you want to submit, you must apply for a PIN and add your facility using the procedure defined in this document. If you are just going to be a report preparer (i.e., someone else will submit through a different account), you do not need to use this document. Refer to delegating rights in the “eDMR All-in-One” Document to gain access to prepare reports within seconds.

Security Questions

The security question is a question to which only you know the answer. For example, you might enter, "Pet's name?", "Mother's maiden name?", "Favorite color?," etc.
The security question answer is the correct answer to the security question you entered above.

Please keep these questions secure. Choose good security questions and answers.

- Don't write this information down anywhere.
- Never send this information by email

The answers to your security questions are not case sensitive.

PIN Request Complete

 Your PIN request was successfully submitted. You will also receive an email notification with additional instructions on how to complete the PIN activation process.

To begin, please download the Subscriber Agreement form listed below by clicking the link.

The next step is to have your hard copy electronic signature agreement signed in the presence of a notary and mail as instructed to Ohio EPA. Once approved, Ohio EPA will send your PIN via regular U.S. mail to the address you provided online. If you need assistance or have questions regarding Ohio EPA eBusiness Center please call our technical support at (614) 644-3011 or send an e-mail to ebizhelpdesk@epa.state.oh.us. Technical support hours of operation are 8:00 AM - 5:00 PM weekdays, except state holidays.

Send your notarized Subscriber Agreement to Ohio EPA at one of the following addresses:

| <u>Mailing Address</u> | <u>Overnight Delivery Address</u> |
|--|--|
| Ohio EPA ATTN: ITS PIN Management PO Box 1049 Columbus, OH 43216-1049 | Ohio EPA ATTN: ITS PIN Management 50 West Town Street, Suite 700 Columbus, OH 43215 |

PIN Activation

Activate PIN for Account: jrobert123

Use this page to activate your eBusiness Center PIN. To complete your activation enter your new PIN and answer the security question.

PIN:

Please answer this security question:

Female Cats Name

Enter your PIN that is listed on the letter you received from the Agency, answer the security question, and click the “ACTIVATE PIN” button. If you entered in the information incorrectly you will receive an immediate on-screen error message with an opportunity to reenter the correct info. If you forget the answer to your security question, log out and log back in and try and activate your PIN again. The system randomly prompts you 1 of your 5 security questions so you will probably be asked different question.

If your PIN and security question were entered in correctly you will get an instant “Activation Complete” message along with a confirmation via email sent to the email address you listed in your account profile. This completes Step 1, you now have an electronic signature, but you have yet to associate yourself to a specific facility(s). Proceed on in this document to get a walkthrough of that simple process.

Your account and PIN are the only ones you ever need. Access all of your facilities in your one account, and sign all of their reports with your one PIN (do not create multiple accounts). Also, you can access any of the other Agency Divisional services on the eBusiness using your one account....and utilize your one PIN!

Service Activation - Facility Search

Facility Search Criteria

The first step in activating a new service is to associate it with one or more facilities. Use this search to locate facilities for association. The search uses "contains" logic. For example, if the facility name is "Redbrick Enterprises Inc." you can enter "brick" in the "Name" field below. This will search for all facilities with "brick" in the name.

Searching by the Regulatory Program ID or Agency Core ID is the quickest and most accurate way to find a match. A search by street name and county is also an efficient way to find potential matches. Try less specific criteria if an initial search is not successful.

After clicking the “Continue” link in the Activation Complete window, you will be directed back to the eBusiness Center main screen. You will notice that under MY TASKS you have a new task for each facility that you requested association with. The status will be PENDING until approved by the Division of Surface Water’s eDMR Administrator.

eBusiness Center – Service Activation

When approved by the eDMR Administrator, you will receive a confirmation via email. If you are a new user of the system you will receive a welcome email from the eDMR Administrator with a click-by-click on how to access and submit your reports. At this point you can log on to the eBusiness Center and begin reporting!

Once approved, you will now notice that there are no PENDING tasks under MY TASKS. Click on “View/Edit” for eDMR and you will see your facility(s). You are now completely set up for submitting your DMRs via the internet! Each time you would like to submit a report, just click eDMR (under SERVICE) to launch the eDMR reporting system. Refer back to Attachment 1 of the All-in-One Document, the eDMR Graphical Walkthrough for a walkthrough on how to access your reports. They are already created and include everything that is required by your permit each month....just access them, type your data in, and click SUBMIT!

Section 4 – Delegating Preparer Rights

In eDMR, you can either submit reports (with your PIN), or you can simply prepare the reports for someone else who will be submitting them. (IMPORTANT: each person, whether submitter or preparing, needs their own personal eBusiness Center account). For preparers, just provide your User ID to the individual who will be accessing the report and submitting it. They will log into their personal account and clicking “View/Edit” delegations. The below screen will appear. Simply click the ADD USER link, type in the User ID of the person who will be entering the data, and click OK. It’s as simple and quick as that. The preparer can now log into their personal account and will have the facility that you delegated them to. They have all the rights to the reports, except SUBMIT. Once the preparer is finished entering in the data, the SUBMITTER can log into their own account, view the report that was prepared, and click SUBMIT.
