Subject: Updates to Areawide Waste Treatment Management Plans

Dear Mr. Nally:

This letter is in response to the submittal of updates to the designated Areawide Waste Treatment Management Plans for six Areawide Planning Agencies. The updates have been incorporated into the State of Ohio's Water Quality Management Plan and were certified by Governor John Kasich on August 15, 2012. A list of those certified documents is enclosed for ready reference.

Pursuant to Clean Water Act sections 208, 303(e) and 40 C.F.R. Part 130, I am approving these updates.

I want to acknowledge the effort that preparation of these updates represents and I also recognize the continued cooperative work of our staff, which will result in enhanced water quality. Please contact me if you have any questions.

Sincerely,

Tina G. Hyde
Director, Water Division
