Ohio EPA held an interested party comment period from July 8, 2015 to August 11, 2015 regarding the Storm Water program small MS4 program rules. This document summarizes the comments and questions received during the associated comment period.

Ohio EPA reviewed and considered all comments received during the public comment period. By law, Ohio EPA has authority to consider specific issues related to protection of the environment and public health.

In an effort to help you review this document, the questions are grouped by topic and organized in a consistent format. The name of the commenter follows the comment in parentheses.

No comments were submitted to the Agency during the interested party comment period.
