The following terms were corrected:

- **A.I.1:** The word “Section” was inserted after “See” in two places in the Applicable Emissions Limitations/Control Measures Column.
- **A.V.1.e:** References to “lb of PE per year” was changed to “tons of PE per year”.
- MGP019 through MGP022, **A.III.2.g:** the formula was corrected from “the quotient of (e) divided by (f)” to read “the quotient of (d) divided by (f).” The formatting of the each document under A.III.2 was also corrected (no change in language).
- MGP024, **A.I.1:** The applicable rule in column two that read “OAC rule 3745-21-09(U)(2)(e)(ii)” was corrected to read “OAC rule 3745-21-09(U)(2)(e)(i)”. The incorrect citation was inadvertently copied from MGP023.
- MGP025, **A.I.1:** The applicable rule in column two that read “OAC rule 3745-21-09(U)(2)(e)(ii)” was corrected to read “OAC rule 3745-21-09(U)(2)(e)(iii)”. The incorrect citation was inadvertently copied from MGP023.

The Criteria Document was also modified to update the new MGP ID resulting from this administrative modification.
