

**Synopsis of Changes to the Following Model General Permit(s) (MGP)**

The following model general permits have been administratively modified:

<b>General Permit Title</b>	<b>Previous MGP ID and Effective Date</b>	<b>New MGP ID and Effective Date</b>
Misc. Metal Parts Painting Line < 3.5 gph, < 3.5 lb VOC/gal.	MGP01901032405 6/30/05	MGP01902071405 07/14/05
Misc. Metal Parts Painting Line < 2.5 gph, < 3.0 lb VOC/gal	MGP02101032405 6/30/05	MGP02102071405 07/14/05
Misc. Metal Parts Painting Line < 3.5 gph, < 3.0 lb VOC/gal	MGP02001032405 6/30/05	MGP02002071405 07/14/05
Misc. Metal Parts Painting Line < 2.5 gph, < 3.5 lb VOC/gal	MGP02201032405 6/30/05	MGP02202071405 07/14/05

A typo was corrected under Part III, A.I.1, “Applicable Emissions Limitations/Control Measures.” The reference in the 3<sup>rd</sup> paragraph; “See Section A.I.c and A.II below” was changed to read “See Section A.II below.” Section A.I.c does not exist and was inadvertently included in the final copy.

No changes were made to the Criteria Document other than updating the MGP ID.
