

3745-103-41 **Establishment of opt-in source allowance accounts.**

- (A) Establishing accounts. Not earlier than the date on which a combustion or process source becomes an affected unit under this chapter and upon receipt of a request for a compliance account under paragraph (B) of this rule, the USEPA will establish a compliance account (unless the source that includes the opt-in source already has a compliance account or the opt-in source has, under paragraph (C) of rule 3745-103-25 of the Administrative Code, a different designated representative than the designated representative for the source) and allocate allowances in accordance with rules 3745-103-33 to 3745-103-39 of the Administrative Code for combustion sources or rule 3745-103-40 of the Administrative Code for process sources.

- (B) Request for opt-in account. The designated representative of the opt-in source shall, on or after the effective date of the opt-in permit as specified in paragraph (D) of rule 3745-103-28 of the Administrative Code, submit a letter requesting the opening of a compliance account (unless the source that includes the opt-in source already has a compliance account or the opt-in has, under paragraph (C) of rule 3745-103-25 of the Administrative Code, a different designated representative than the designated representative for the source) in the allowance tracking system to the USEPA.
