

3745-31-07 **Revocation.**

The director may revoke a permit-to-install, if the director concludes at any time that any applicable laws have been or are likely to be violated.

The director may also revoke a permit-to-install if the permittee requests revocation for cause and the director determines that granting the requested revocation will not result in the violation of any applicable laws. When a permittee requests a revocation, the director, without prior hearing, shall make a final determination on the application.
