Director's Final Findings and Orders – Modification of April 13, 2010 Director's Final Findings and Orders for Removal Action and Remedial Investigation and Feasibility Study and Remedial Design and Remedial Action

I certify this to be a true and accurate copy of the official documents as filed in the records of the Ohio Environmental Protection Agency.

By: Jerry Cassiter Date: 9-12-11

These Director's Final Findings and Orders ("Modified Orders") are issued to Respondent United States Department of Energy ("U.S. DOE") pursuant to the authority vested in the Director of Ohio EPA under Ohio Revised Code ("ORC") §§ 3704.03, 3734.13, 3734.20, 6111.03, and 3745.01. U.S. DOE enters these Modified Orders pursuant to Section 104 of CERCLA, 42 U.S.C. Section 9604, Executive Order 12580, and the Atomic Energy Act of 1954, as amended, 42 U.S.C. Section 2011, et seq.

I. FINDINGS

1. On April 13, 2010, Director's Final Findings and Orders for Removal Action and Remedial Investigation and Feasibility Study and Remedial Design and Remedial Action ("D&D Orders") were issued to the U.S. DOE regarding the DOE Portsmouth Gaseous Diffusion Plant (Decontamination And Decommissioning Project) located in Piketon, Pike County, Ohio.

2. Modification of Attachments G, H, and J to the D&D Orders is needed to correct inadvertent omissions and inaccuracies.

II. ORDERS

1. Modified Attachments G, H, and J, which are acceptable to the Director and to U.S. DOE, are attached hereto and incorporated herewith.

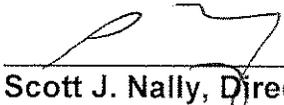

2. With the exception of the approved modification of Attachments G, H, and J to the D&D Orders, as set forth in Order number 1 of these Modified Orders, the D&D Orders remain unchanged and in full force and effect.

3. The effective date of these Modified Orders shall be the date these Modified Orders are entered into the journal of the Director of Ohio EPA.

4. Each undersigned representative of a Party to these Modified Orders certifies that he or she is authorized to enter into these Modified Orders and to legally bind such Party to these Modified Orders.
