Final Class 3 Permit Mod**

December 11, 2008

Mr. Paul C. Lucas  
U.S DOE Mound Closure Project  
955 Mound Road  
Miamisburg, Ohio 45342

Dear Mr. Lucas:

On June 13, 2008, Ohio EPA received U.S. DOE Mound Closure Project's (DOE Mound) request to change the operator name from CH2Mhill to U.S. Department of Energy. For this modification, DOE Mound submitted a Class 3 modification application<sup>1</sup>. The Agency did not receive written comments concerning this Class 3 modification application. I have enclosed the final modified Ohio hazardous waste facility installation and operation permit (Permit) that was issued by the director today. Please note that the modified Permit remains in effect until it is renewed, withdrawn, suspended or revoked.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

### OHIO EPA ISSUES FINAL CLASS 3 HAZARDOUS WASTE PERMIT MODIFICATION

On December 11, 2008, Ohio EPA issued a final Class 3 hazardous waste facility installation and operation permit (Permit) modification to U.S. DOE Mound Closure Project (DOE Mound) for its facility at 955 Mound Road, Miamisburg, Ohio 45342. The EPA Identification Number for this facility is OH6890008984.

#### **Why is DOE Mound Modifying its Permit?**

The DOE Mound hazardous waste permit is currently required to serve as the legal mechanism available to Ohio EPA for ensuring that all Corrective Action obligations are being addressed. DOE Mound is changing the operator name from CH2M Hill to U.S. Department of Energy. To issue this final Permit modification, Ohio EPA determined that the Permit application is complete and meets appropriate standards. The Permit modification will allow DOE Mound to make the requested changes, and to continue to investigate and cleanup any contamination of hazardous waste in the designated areas, or constituents that may be at the facility.

#### **Can I appeal these final Permit modifications?**

Yes, if you are an officer of an agency of the state or of a political subdivision, acting in a representative capacity, or any person who would be aggrieved or adversely affected by this modified Permit, you have the right to appeal these Permit decisions to the Environmental Review Appeals Commission (ERAC).

#### **If I decide to appeal these final Permit modifications, how and when must I make the appeal?**

If you file an appeal, you must put it in writing no later than January 14, 2009. Your appeal must explain why you are appealing the action and the grounds you are using for your appeal. The appeal must be accompanied by a filing fee of \$70.00 which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. You must file your appeal, according to Ohio Revised Code § 3745.04 with ERAC at the following address: **Environmental Review Appeals Commission**, 309 South Fourth Street, Room 222, Columbus, Ohio 43215. You must send a copy of the appeal to the director of Ohio EPA at the following address no later than three (3) days after you file it with ERAC: **Chris Korleski, Director of Ohio EPA**, P.O. Box 1049, Columbus, Ohio 43216-1049.
