OHIO EPA ISSUES CLASS 2 MODIFIED HAZARDOUS WASTE PERMIT

On June 28, 2011, Ohio EPA issued a modified Hazardous Waste Facility Installation and Operation Permit (Permit) to Environmental Enterprises, Inc. for its facility at 4650 Spring Grove Ave., Cincinnati, Ohio 45232. The EPA Identification Number for this facility is OHD083377010.

Why is Environmental Enterprises, Inc. modifying its Permit?

Environmental Enterprises, Inc. (EEI) is a permitted hazardous waste storage and treatment facility. All waste that comes into the facility is either treated or repackaged and sent off-site to a final disposal or recycling destination. EEI wishes to add five additional hazardous waste codes to their hazardous waste permit. These five codes are: P056, P073, P076, P078, and P095. Addition of these waste codes will not require additional or different management practices from those currently authorized in the permit. EEI will accept these waste codes for storage and transfer only. This final modified permit will allow EEI to make the requested changes. To issue this final modified Permit, Ohio EPA determined that the modification application is complete and meets appropriate standards.

Can I appeal this final modified Permit?

Yes, if you are an officer of an agency of the state or of a political subdivision, acting in a representative capacity, or any person who would be aggrieved or adversely affected by this modified Permit, you have the right to appeal this Permit decision to the Environmental Review Appeals Commission (ERAC).

If I decide to appeal this final modified Permit, how and when must I make the appeal?

If you file an appeal, you must put it in writing no later than thirty (30) days after the publication of this notice. Your appeal must explain why you are appealing the action and the grounds you are using for your appeal. The appeal must be accompanied by a filing fee of \$70.00 which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. You must file your appeal, according to Ohio Revised Code § 3745.04 with ERAC at the following address: **Environmental Review Appeals Commission**, 309 South Fourth Street, Room 222, Columbus, Ohio 43215. You must send a copy of the appeal to the director of Ohio EPA at the following address no later than three (3) days after you file it with ERAC: **Scott J. Nally, Director of Ohio EPA**, P.O. Box 1049, Columbus, Ohio 43216-1049.

This Modified Ohio Hazardous Waste Facility Installation and Operation Permit is issued pursuant and subject to Section 3734.05(I) of the Ohio Revised Code and Rule 3745-50-51(D) of the Ohio Administrative Code.

The Ohio Hazardous Waste Facility Installation and Operation Permit with the above-referenced permit number as issued by the Ohio Environmental Protection Agency and journalized on September 30, 2009, is hereby incorporated by reference in its entirety, except as it may be modified herein.

This modification of the permit shall remain in effect until such time as the Ohio Hazardous Waste Facility Installation and Operation Permit is renewed, modified, withdrawn, suspended or revoked.

The Permittee shall comply with all requirements of the modified Part B permit application as amended or supplemented on April 1, 2011. The information contained in the modified Part B permit application is incorporated herein by reference. Specifically, all written statements regarding the specifications, locations or capabilities of the processes, equipment, containment devices, safety devices or programs or other matters made by the applicant in the permit modification application are hereby incorporated as express, binding terms and conditions of this modified permit.
