ENTERED DIRECTOR'S JOURNAL

Issuance Date: JUN 4 - 2002  
Effective Date: JUN 4 - 2002

**BEFORE THE  
OHIO ENVIRONMENTAL PROTECTION AGENCY**

In the matter of:

Waste Management of Ohio, Inc.  
389 Fountain Street  
Akron, OH 44308

Amended Director's Final  
Findings and Orders

The Director of Environmental Protection (Director) hereby makes the following finding and issues the following orders.

**FINDING**

1. On May 20, 2002, Ohio EPA issued Director's Final Findings and Orders (Original Orders) to Waste Management, Inc. regarding an exemption for the Akron Central Transfer Station located in Summit County, Ohio. However, the Original Orders should have been issued to Waste Management of Ohio, Inc. During the preparation of the Original Orders, Ohio EPA reviewed all the information relative to Waste Management of Ohio, Inc., not Waste Management, Inc. These orders amend the Original Orders.

**ORDERS**

1. The Director hereby amends the Original Orders as follows: Except for Finding Number 2 of the Original Orders, all references to Waste Management, Inc. shall be amended and revised to read "Waste Management of Ohio, Inc." and shall apply to, and be binding upon, Waste Management of Ohio, Inc. as if specifically made a party to the Original Orders.
2. To the extent not otherwise specifically amended herein, all terms and conditions of the Original Orders shall be effective as if fully rewritten herein.

**IT IS SO ORDERED:**
