Telephone: (419) 895-0058

Facility: Noble Road Landfill
Location: This facility is located ½ mile east of the intersection of State Route 13 and Noble Road on the south side of Noble Road.

Permit: Authorized Maximum Daily Waste Receipt (AMDWR) Increase

Issuance Date:

Effective Date:

The above-named entity is hereby issued a permit approval (permit-to-install) for the above described source pursuant to Ohio Administrative Code (OAC) Rule 3745-27-02. Issuance of this permit approval does not constitute expressed or implied approval or agreement that, if constructed and/or modified in accordance with the plans, specifications, and/or information accompanying the permit application, the above described source of environmental pollutants will operate in compliance with applicable state and federal laws, rules, and regulations, and does not constitute expressed or implied assurances that, if constructed and/or modified in accordance with those plans, specifications, and/or information accompanying the permit application, the above described source of environmental pollutants will be granted the necessary operating permits and/or licenses. This permit approval is issued subject to the attached conditions which are hereby incorporated and made a part hereof.

Bob Taft, Governor
Jennette Bradley, Lieutenant Governor
Joseph P. Koncelik, Director

Ohio Environmental Protection Agency

Joseph P. Koncelik, Director

PTI SUMMARY

This permit approval (PTI Number 03-16464) authorizes Noble Road Landfill, Inc. (Noble Road) to increase the AMDWR of its Noble Road Landfill (Facility) located in Richland County from 2,000 to 4,000 tons. The previous AMDWR was established by PTI Number 03-4733, issued on May 31, 1994.

Based on the AMDWR of 4,000 tons, the total facility airspace will provide an estimated Facility life of 8.3 years. However, based on the Facility's average anticipated gate receipts, the estimated life of the Facility will be approximately 20 years.

This summary is provided solely for informational purposes and does not constitute a part of, or otherwise affect, this permit approval.

PTI CONDITIONS

1. The director, or an authorized representative, may enter upon the premises of the above-named applicant (permittee) at any reasonable time during construction and operation for the purpose of making inspections, conducting tests, or examining records or reports pertaining to the construction, modification, or installation of the above described source of environmental pollutants (municipal solid waste disposal facility).
2. The Facility's AMDWR is hereby established to be 4,000 tons. This supersedes any previously established AMDWR for the Facility. This permit approval shall apply only to the increase in the Facility's AMDWR.
3. The permittee shall not accept more than 6,000 tons of waste per day for disposal at the Facility. This total tonnage includes both solid waste and exempt waste, including, but not limited to, construction and demolition debris.

Bob Taft, Governor
Jennette Bradley, Lieutenant Governor
Joseph P. Koncelik, Director

4. Issuance of this permit approval does not relieve the permittee of the duty to comply with all applicable federal, state, and local laws, ordinances, and regulations.
5. This permit approval may be modified, or alternatively revoked and reissued, to comply with any revisions to OAC Chapter 3745-27 applicable to this municipal solid waste disposal facility.
6. The permittee shall provide for the proper maintenance and operation of the municipal solid waste disposal facility in accordance with the provisions of OAC Chapter 3745-27.
7. Nothing in this permit approval shall be construed to authorize any waiver from the requirements of any applicable federal or state laws or regulations. This permit approval shall not be interpreted to release the permittee from responsibility under Ohio Revised Code (ORC) Chapters 3704, 3714, 3734, or 6111; under the Federal Clean Water Act, the Resource Conservation and Recovery Act, or the Comprehensive Environmental Response, Compensation, and Liability Act; or from other applicable requirements for remedying conditions resulting from any release of contaminants to the environment.
8. This permit approval does not authorize the acceptance of any hazardous or infectious wastes, except for those excluded from hazardous waste or infectious waste regulation by ORC Chapter 3734.
9. This permit approval does not authorize the acceptance of any asbestos or asbestos-containing waste material that is subject to the provisions of NESHAP, 40 CFR Part 61, Subpart M. No such asbestos or asbestos-containing waste material may be accepted without first obtaining the necessary permits from Ohio EPA.
10. Unless specifically superseded by this permit approval, Noble Road shall comply with the requirements of all authorizing documents issued prior to this permit approval.
11. Pursuant to ORC Sections 3745.11(Q) and (V), payment of the solid waste permit-to-install fee balance, in the amount of \$600.00 payable to "Treasurer, State of Ohio," shall be submitted to Ohio EPA, Attn: Fiscal Administration, P.O. Box 1049, Columbus, Ohio 43216-1049. The fee balance shall be submitted within thirty (30) days of the effective date of this permit approval. Failure to timely submit the required permit fee balance will result in assessment of late penalties in accordance with ORC Sections 3745.11(Q) and (V).
