## PERMIT SUMMARY

This is a **Final** permit (PTI # 06-08341) which, authorizes the vertical and lateral expansion of the Pike Sanitation Landfill (Facility), located at 11775 State Route 220, Waverly, Seal Township, Pike County, Ohio.

The permit application proposes to laterally expand the Facility by 0.9 acres, which results in a vertical expansion in the portion of the landfill directly adjacent to the lateral expansion.

The existing approved solid waste disposal area is approximately 131 acres. The proposed permit will expand the Facility to approximately 132 acres. The Facility will continue their current authorized maximum daily waste receipt (AMDWR) of 2,000 tons. This permit would authorize approximately 1.2 million cubic yards of additional disposal capacity.

The Facility currently has and will continue to incorporate into its construction such features as a composite (clay/geosynthetic membrane) liner system, a leachate collection and management system, a ground water monitoring system, an explosive gas extraction system, and a final closure cap system, and will provide for 30 years of post-closure care. Furthermore, the closed unlined portion of the landfill located at the Facility is being removed and placed within the lined portion of the Facility.

This summary is provided solely for informational purposes and does not constitute a part of, or otherwise affect, the attached permit.

## PERMIT CONDITIONS

1. The director of the Ohio Environmental Protection Agency (Ohio EPA), or an authorized representative, may enter upon the premises of the above-named applicant (permittee) at any reasonable time during construction and operation for the purpose of making inspections, conducting tests, or examining records or reports pertaining to the construction, modification, or installation of the above-described source of environmental pollutants (municipal solid waste disposal facility).
2. The modification shall be constructed in strict accordance with the plans, specifications, and information submitted as part of the application for this permit. There may be no deviation from the approved plans without the express written approval of Ohio EPA. Any deviation from the approved plans or the permit conditions may lead to such sanctions and penalties as provided under Ohio law. Approval of these plans does not constitute an assurance that the Facility will operate in compliance with all Ohio laws and regulations.
3. Issuance of this permit does not relieve the permittee of the duty to comply with all applicable federal, state, and local laws, ordinances, and regulations.

4. This permit shall apply only to those facilities shown on the plans submitted as part of PTI Application Number 06-08341 as received on September 19, 2007, with subsequent revisions received on November 30, 2007; and February 19, 2008.
5. This permit may be modified, or alternatively revoked and reissued, to comply with any revisions to OAC Chapter 3745-27 applicable to this municipal solid waste disposal facility.
6. The permittee shall provide for the proper maintenance and operation of the municipal solid waste disposal facility in accordance with the provisions of OAC Chapter 3745-27.
7. Nothing in this permit shall be construed to authorize any waiver from the requirements of any applicable federal or state laws or regulations except as specified herein. This permit shall not be interpreted to release the permittee from responsibility under Ohio Revised Code (ORC) Chapters 3704, 3714, 3734, or 6111; under the Federal Clean Water Act, the Resource Conservation and Recovery Act, or the Comprehensive Environmental Response, Compensation, and Liability Act; or from other applicable requirements for remedying conditions resulting from any release of contaminants to the environment.
8. Not later than seven days prior to starting any construction authorized by this permit, the permittee shall submit to Ohio EPA, Southeast District Office (SEDO) and the Pike County Health Department written notification of the anticipated construction start date so that construction of this Facility can be routinely inspected by Ohio EPA, SEDO and the Pike County Health Department.
9. The authorized maximum daily waste receipt (AMDWR) is 2,000 tons.
10. Pursuant to ORC Sections 3745.11(Q) and (V), payment of the solid waste permit-to-install fee balance, in the amount of eleven thousand six hundred dollars (\$11,600.00) payable to "Treasurer, State of Ohio," shall be submitted to Ohio EPA, Attn: Fiscal Administration, P.O. Box 1049, Columbus, Ohio, 43216-1049. The fee balance shall be submitted within thirty (30) days of the effective date of this permit approval. Failure to timely submit the required permit fee balance will result in assessment of late penalties in accordance with ORC Sections 3745.11(Q) and (V).
