PERMIT TO INSTALL JOURNAL

PERMIT SUMMARY

This permit approval (PTI Number 06-6130) authorizes construction of the proposed Meigs County Transfer Facility. The transfer facility is to be located on an 8.5-acre property at 34878 Rock Springs Road, approximately 1.5 miles southeast of the intersection of Rock Springs Road and County Road 19, in Salisbury Township, Meigs County, Ohio.

The facility expects to accept about 100 tons of municipal solid waste per day for transfer. The open air facility will consist of an upper and lower waste handling area, with trucks dumping waste from the upper waste handling area into roll off boxes on the lower waste handling area.

This summary is provided solely for informational purposes and does not constitute a part of, or otherwise affect, the attached PTI.

PERMIT CONDITIONS

1. Issuance of this permit does not relieve the applicant of the duty to comply with all applicable federal, state, and local laws, ordinances, and regulations.
2. In accordance with OAC Rule 3745-31-06(A), this permit approval shall terminate 18 months after its effective date if the owner or operator has not undertaken a continuing program of installation or modification or has not entered into a binding contractual obligation to undertake and complete within a reasonable time a continuing program of installation or modification. In accordance with OAC Rule 3745-31-06(C), this deadline may be extended by up to 12 months if application is made to the director no less than 60 days prior to the expiration of the 18-month period and the party shows just cause for any such extension.
3. The director, or an authorized representative, may enter upon the premises of the above named applicant (permittee) at any reasonable time during construction and operation for the purpose of making inspections, conducting tests, or examining records or reports pertaining to the construction, modification, or installation of the above described source of environmental pollutants (solid waste transfer facility).
4. The proposed source shall be constructed in strict accordance with the plans, specifications, and information submitted as part of the application for this permit to the director. There may be no deviation from the approved plans without the express, written approval of the Ohio Environmental Protection Agency (Ohio EPA). Any deviation from the approved plans or the permit conditions may lead to such sanctions and penalties as provided under Ohio law. Approval of these plans does not constitute an assurance that the proposed facilities will operate in compliance with all Ohio laws and regulations. Additional facilities shall be installed upon orders of Ohio EPA if the proposed solid waste transfer facility is inadequate or cannot meet applicable standards.

5. This approval shall apply only to those facilities shown on the plans submitted as part of PTI Application Number 06-6130, received on March 13, 2000, and all subsequent revisions.
6. This permit may be modified, or alternatively revoked and reissued, to comply with any revisions to OAC Chapters 3745-27 and 3745-31 applicable to this solid waste transfer facility.
7. The owner or operator shall provide for the proper maintenance and operation of the solid waste transfer facility in accordance with the provisions of OAC Chapter 3745-27.
8. Nothing in this permit approval shall be interpreted to release the owner or operator from responsibility under ORC Chapters 3704, 3714, 3734, or 6111; the Federal Clean Water Act, the Resource Conservation and Recovery Act, the Toxic Substances Control Act, or the Comprehensive Environmental Response, Compensation, and Liability Act; or from other applicable requirements for remedying conditions resulting from any release of contaminants from the facility to the environment.
9. This permit does not include approval for the acceptance of any hazardous or infectious waste, except for those excluded from hazardous waste or infectious waste regulation by ORC Chapter 3734.
10. Ohio EPA, Southeast District Office (SEDO) and the Meigs County Health Department shall be notified of the construction starting date prior to the start of construction of the facility so that construction of this facility can be routinely inspected by Ohio EPA, SEDO of the health department before being placed into operation.
11. This permit does not provide for the acceptance of any asbestos or asbestos-containing waste material that is subject to the provisions of NESHAP, 40 CFR Part 61, Subpart M. No such asbestos or asbestos-containing waste material may be accepted without first obtaining the necessary permits from Ohio EPA.
12. The permittee shall provide for the following inspections and maintenance of the facility:
 - a. The permittee shall provide for daily inspection of the solid waste transfer facility and completion of the daily inspection checklist and the solid waste transfer facility daily log of operations. Written results of the inspections, including any corrective measures employed, shall be made available to Ohio EPA, SEDO or the Meigs County Health Department upon request.
 - b. Surface water control structures, including catch basins, storm sewers, ditches, and storm sewer discharge structures, shall be inspected at least monthly for erosion, clogging, or failure, and prompt corrective action shall be taken if necessary. A log including inspection results, any corrective measures and the

date and weather conditions for any water quality samples shall be maintained on-site and submitted to Ohio EPA, SEDO or the Meigs County Health Department upon request.

13. Pursuant to ORC Sections 3745.11 (Q) and (V), payment of the solid waste permit-to-install fee balance, in the amount of \$2,100.00 and payable to "Treasurer, State of Ohio", shall be submitted to Ohio EPA, Attn: Fiscal Administration, P.O. Box 1049, Columbus, Ohio, 43216-1049. The fee balance shall be submitted within 30 days of the effective date of this permit approval. Failure to timely submit the required fee balance will result in assessment of late penalties in accordance with ORC Sections 3745.11(Q) and (V).
