

## **Appendix F. Current 319 Projects in the Lower Cuyahoga River TMDL Area**

### West Creek

David Vasarhelyi of the West Creek Preservation Committee applied and obtained a 319 implementation grant. This is a 36 month grant with a project start date of July 1, 2002, and closure date of June 30, 2005. This grant will be receiving \$343,750.00 in Federal money and will be matched with \$393,000.00 in local or state funds for a total project cost amounting to \$736,750.00. They are currently developing a comprehensive Watershed Management Plan. The primary objectives of this implementation grant are:

- \*Purchase of permanent riparian conservation easements
- \*Enhance degraded riparian through stabilization, seeding and tree planting
- \*Protect water quality with educational efforts and stimulate involvement

West Creek has also been selected to receive funding from ODNR and OEPA for a full time Watershed Coordinator. This is a six year program that will begin in 2002.
